6. PROPOSALS AND FORMULATION OF BIDS

6.1 The classification of the proposal will be carried out:

6.1.1 Observing which one offers the most significant discount (without service fees);

6.1.2 If none of the proposals offers discounts, preference will be given to the one with the lowest service fees;

6.1.3 In case of a tie in 6.1.2 and 6.1.3, the proposal that allows the most extended payment period will have the highest score;

6.1.4 In case of a tie for the above items, the decision will be by draw;

6.1.5 The bidding phase will begin After the proposal classification/disqualification phase.

6.2 The bidding phase will begin following the opening the Online Reverse Bid Session.

6.3 Started the bidding phase; the Bidders shall submit bids exclusively through the electronic system.

BID PROCESS N° 08/2023

6.4 The bidding mode shall be open bid, subject to the following conditions:

6.4.1 Bidders will receive a unique user code and password, informed by e-mail, to participate in the Online Reverse Bid Auction session;

6.4.2 The identity of the participants may not be disclosed before or during the Online Reverse Bid Auction session, under penalty of being disqualified.

6.4.3 The Auctioneer will make the initial instructions and open the bidding section;

6.4.4 Bidders will have **15 (fifteen) minutes** to apply their bids;

6.4.5 Bidders can follow their bids via chat;

6.4.6 The final minute will be informed before the respective bid closes;

6.4.7 Bidders may offer successive bids, observing the time set for the opening of the session and the rules established in this Notice;

6.5 After closing the bidding sessions, the Auctioneer will consolidate the result of the lowest bid and disclose it to the participants, by e-mail, within **48 (forty-eight) hours**.

6.6 Two or more bids of the same value will not be accepted; the one received and recorded first will prevail.

6.7 If the chat remains offline or disconnected for more than **10 (ten) minutes**, the Online Reverse Bid Auction will be suspended, and a new session will be scheduled. A notification will be sent to all Bidders.

6.8 If the Bidder does not submit bids during the bidding session, it will compete with the value of its Price Proposal.

6.9 Closed the Online Reverse Bid Auction Session, the Auctioneer shall e-mail a counter-proposal to the highest-ranked Bidder, to negotiate the best possible price, following the conditions provided this Bidding Notice.

6.10 The Auctioneer will request that the highest-ranked Bidder, within 4 hours, send the best proposal possible after negotiations, accompanied, if applicable, by additional documents, when necessary, for confirmation of those required in this Bidding Notice and already submitted.

7. DISQUALIFICATION OF PROPOSALS

7.1 The Auctioneer will conduct the Price Proposal conformity check only for the highest-ranked bid.

7.2 Proposals will be disqualified:

BID PROCESS N° 08/2023

7.2.1 That contains insurmountable errors;

7.2.2 That do not meet the requirements of this Bidding Notice;

7.2.3 With manifestly unfeasible prices, considering those that do not have their viability demonstrated through documentation that proves that the costs of the inputs are coherent with those of the market and that the productivity coefficients are compatible with the execution of the object of the contract;

7.2.4 Present nonconformity with any other requirements of the Bidding Notice.

7.2.5 Bids in any currency other than **US Dollars**.

7.3 Steps may be taken to assess the proposal's feasibility, and the bidder may be required to demonstrate it.

7.4 No additional information to the Price Proposals will be accepted after the date of the schedule established in this Bidding Notice unless the Auctioneer requests necessary additional information.

7.5 If there are no bids, it will be checked whether the Lowest Price Proposal is viable.

7.6 The BNCW will not accept joint proposals from one or more companies.

7.7 When all bidders are disqualified, or all proposals are disqualified, the Administration may set bidders **8 (eight) working days** to present new documentation or other refined proposals.

7.8 Presented proposals that do not meet the requirements set out in this Notice will be disqualified.

8. NEGOTIATION

8.1 The Auctioneer will negotiate more advantageous conditions with the highest-ranked Bidder once the Online Reverse Bid Auction results are defined.

8.2 Negotiation may be made with the other Bidders, according to the order of classification initially established, when the first place, even after negotiation, is disqualified due to its proposal remaining above the maximum price defined in the bid.

8.3 After the negotiation is concluded, its result will be disclosed to all Bidders and attached to the bidding records, and the Auctioneer will initiate the proposal acceptance and judgment phase.

8.4 Once the negotiation stage is closed, the Bidder will examine the proposal classified in the first place regarding the acceptability of the objects for each lot and the compatibility of the price concerning the Bid Notice.

BID PROCESS N° 08/2023

8.5 If the winning proposal is disqualified, the Auctioneer will examine the subsequent proposal successively, in the order of classification.

8.6 Once the analysis regarding the acceptance of the Price Proposals is concluded, the Auctioneer will verify the qualification of the Bidder, observing the provisions in this Bidding Notice.

8.7 The highest-ranked Bidder, who presents the lowest price per service and fulfills all the requirements described in this Bid Notice, will be considered qualified.

8.8 Remuneration

8.8.1 The total remuneration to be paid to the Contracted Party will be determined from the value offered for providing the travel agency service, multiplied by the number of tickets issued, rescheduled or canceled, and related services.

8.8.2 The Administration will pass on the amounts related to the purchase of travel tickets to the contracted tourism agency, which will mediate the payment with the airlines that issued the tickets.

9. ADMINISTRATIVE APPEAL

9.1 Bidders may file an appeal regarding the acts resulting from this Bidding Procedure against:

9.1.1 Judgment of the proposals;

9.1.2 Qualification or non-qualification of Bidders;

9.1.3 Cancellation or revocation of the bid.

9.2 The following provisions shall be observed concerning appeals presented regarding the judgment of the proposals and the qualification or disqualification of Bidders:

9.2.1 The intention to appeal must be made by e-mail to "cnbw.bid@marinha.mil.br" and manifested within 1 (one) workday, as of the winning Bidder's publicity, under penalty of loss of the right to appeal, and the deadline for the presentation of the reasons for the appeal, of **3 (three) workdays**, will be initiated on the date of receipt of the intention to appeal by the Auctioneer.

9.2.2 The examination of the appeal will be done in a single phase.

9.3 The appeal will be directed to the Auctioneer, who will present his decision within **5 (five) workdays**.

9.4 Acceptance of the appeal will imply invalidation only of the act that cannot be used.

9.5 The deadline for filing counterarguments will be the same as for the appeal and will start on the date of the request filing.

AB

BID PROCESS N° 08/2023

9.6 The Bidder will be assured of the essential elements to defend its interests.

9.7 After the appeal phase verifies the acts' regularity, the competent authority shall approve the bidding procedure.

10. ADMINISTRATIVE INFRACTIONS AND SANCTIONS

10.1 Commits an administrative infraction, under the terms of the law, the bidder who, with intent or fault:

10.1.1 Fail to deliver the documentation required for the event or fail to deliver any document requested by the auctioneer during the event;

10.1.2 Unless due to a duly justified supervening fact, do not maintain the proposal in particular when:

10.1.2.1 Not sending the appropriate proposal to the last bid offered or after negotiation;

10.1.2.2 Refuse to send details of the proposal when required;

10.1.2.3 Requests to be disqualified when the competitive stage ends.

10.1.3 Not concluding the Contract or not delivering the documentation required for contracting when called within the validity period of their proposal;

10.1.4 Refuse, without justification, to sign the Contract or to accept or withdraw the equivalent agreement within the period established by the Administration;

10.1.5 Present false declaration or documentation required for the bidding or provide false statement during the bidding;

10.1.6 Fraud in the bid process.

10.2 For the total or partial non-execution of the Contract, the BNCW can, guaranteeing a previous defense, apply to the bidder the following sanctions:

a) Warning.

b) The unjustified delay in the execution of the contract, starting from the first day of the postponement of the service, will subject the bidder to the fine of **0.1% (0.1 percent)** for a day of delay, limited to **30 days (thirty) days**. Reaching this limit, the fine will be converted into a compensatory fine.

c) Compensatory fine, in a percentage of **10% (ten percent)**, levied on the value of the unfulfilled portion of the Contract;

BID PROCESS N° 08/2023

d) Temporary suspension from participation in bidding and impediment to contract with this Naval Commission for a period not exceeding **2 (two) years**;

e) Declaration of ineligibility to bid or contract with the Brazilian Public Administration while the reasons that determined the punishment last or until rehabilitation is promoted before the authority that applied the penalty, which will be granted whenever the bidder reimburses the BNCW for the resulting damages and after the period of the sanction used based on the item "c" elapses.

10.3 The penalties provided in item 10.2, paragraphs "a," "d," and "e" may be applied together with one of the paragraphs "a" and "b," being allowed the previous defense of the bidder, in the respective process, within 5 (five) working days.

10.4 The sanction established in paragraph "e" of item 10.2 is of the exclusive competence of the Minister of Defense, the defense of the bidder being allowed in the respective process within **10 (ten) days** of the opening of the case, and the rehabilitation can be requested after **2 (two) years** of its application.

10.5 Total or partial non-performance of the contract results in its termination, with the applicable contractual, legal, and regulatory consequences, respecting the legislation of the location where the contract was celebrated.

FB

11. CHALLENGES AND REQUESTS FOR CLARIFICATION

11.1 Anyone may challenge the terms of this Notice up to **3 (three) business days** before the date set for the opening of the Online Reverse Bid Auction, subject to the following conditions:

11.2 The challenge must be made by e-mail to "cnbw.bid@marinha.mil.br".

11.3 The challenge does not have a suspension effect, and it will be up to the Auctioneer, assisted by those responsible for preparing the Notice and annexes, for deciding on the challenge within **2 (two) business days**, counted from the date of receipt of the challenge.

11.4 The granting of suspension effect to the challenge is exceptional and must be motivated by the Auctioneer in the bidding process records.

11.5 Once the challenge is accepted, a new date for the bidding process will be defined and published.

11.6 Any modifications to the Bidding Notice will imply a new disclosure in the same way as its initial disclosure, in addition to compliance with the same deadlines as the original acts and procedures, except when the alteration does not compromise the formulation of proposals.

12. FORWARDING TO THE SUPERIOR AUTHORITY

12.1 Once the judging and qualification phases are closed and the administrative appeals are exhausted, the bidding process will be forwarded to the superior authority, which may:

BID PROCESS N° 08/2023

12.1.1 Order the case records to be returned for correction of irregularities.

12.1.2 Revoke the bid for reasons of convenience and opportunity.

12.1.3 Annul the bidding, ex officio, or upon instigation by third parties, whenever there is irreconcilable illegality.

12.1.4 Award the object and ratify the bid

13. CONTRACT

13.1 After the qualification phase, the winning Bidder per each lot will be summoned to sign the Contract, whose draft can be found in Annex "B" of this Bid Notice.

13.2 Within the term of the Contract, prices cannot be adjusted, except in the case of item 13.5.

13.3 The Buyer's and the Seller's obligations are presented in Annex "B" of this Bid Notice (Contract Draft). PB

13.4 The administrative sanctions relating to the execution of the Contract are those provided for in Annex "B" of this Bid Notice (Contract Draft).

13.5 The Buyer is authorized to promote, under the same contractual conditions, the additions or deletions that may be necessary up to the limit of **25% (twenty-five percent)** of the updated initial value of the Contract.

13.6 The winning Bidder shall sign the Contract within **5 (five) days**, counting from the receipt of the Contract, under penalty of forfeiting the right to the Contract.

13.7 The deadline may be extended **1 (one)** time for the same period at the request of the successful Bidder during its duration, duly justified, and provided that the reason given is accepted.

13.8 When the term of the Contract is sent to the winning Bidder for signature, by mail or e-mail, it will have a period of **5 (five) days** for its return, counting from the receipt, under penalty of loss of the right to contract, without prejudice to the application of the sanctions provided for in this notice.

13.9 The non-signature of the term of the Contract translates into the total non-performance of the object, whose applicable sanctions are those provided for in art. 65 of Regulation GM-MD No. 5.175, of December 15, 2021.

14. MISCELLANEOUS PROVISIONS

14.1 The deadlines outlined in this Bid Notice will be counted excluding the starting day and including the due date and will observe the following provisions:

BID PROCESS N° 08/2023

- 14.1.1 Deadlines expressed in calendar days will be computed continuously;
- 14.1.2 Deadlines expressed in months or years will be computed from date to date;
- 14.1.3 Deadlines expressed in working days, only the days on which administrative work occurs in this Naval Commission will be computed.
- 14.2 It is considered the day of the beginning of the term:
- 14.2.1 The first business day following the information being made available on the internet;
- 14.2.2 The date on which the acknowledgment of receipt is added to the records when the notification is by mail.
- 14.3 The deadline is considered extended until the first following business day if the due date falls on a day when there are no business hours, if the business hours are closed before the usual time, or if there is the unavailability of electronic communication.
- 14.4 In terms expressed in months or years, if the month of maturity does not have the day equivalent to the beginning of the term, the last day of the month shall be considered the term.
- 14.5 The non-complying with merely formal requirements that do not compromise the assessment of the bidder's qualification or the understanding of the content of its proposal will not imply its withdrawal from the bidding process or the invalidation of the process. 
- 14.6 Any additional information about this Notice can be obtained at the BNCW's web page at www.cnbw.mar.mil.br, at the BNCW's address at 5130 MacArthur Blvd., NW, Washington, DC 20016-3316, or by e-mail at raphael.benicio@marinha.mil.br.
- 14.7 This bid may only be revoked for reasons of public interest arising from a duly proven supervening fact relevant and sufficient to justify such conduct. It must be canceled due to illegality, ex officio, or at the provocation of third parties through a written and duly substantiated opinion.
- 14.8 The annulment of the bidding procedure due to illegality does not generate an obligation to compensate, except if the object has already been carried out by the date on which the bidding is declared null and for other regularly proven losses, as long as they are not attributable to it, promoting the responsibility of those who caused it.
- 14.9 The bidding procedure's nullity leads to the Contract's nullity, subject to the provisions of the previous item.
- 14.10 In the event of cancellation of the bidding process, adversarial proceedings and complete defense are ensured.
- 14.11 The bidders will bear all expenses arising from the presentation of proposals.

BID PROCESS N° 08/2023

14.12 Bidders must thoroughly analyze all documents related to the Notice of this bidding process, particularly the Contract.

14.13 Guidelines for registering suppliers will be available on this Commission's website.

15. ENVIRONMENTAL SUSTAINABILITY CRITERIA

15.1 This acquisition must be informed by the environmental sustainability criteria, based on Law n° 12.187/2009, combined with the international commitments assumed by the Brazilian government, so that the bidder, if possible, prioritizes recycled and recyclable products compatible with consumption standards socially and environmentally sustainable.

16. ANNEXES

16.1 The following Annexes are part of this Bidding Notice:

- a) Term of Reference;
- b) Contract Draft;
- c) Price Proposal;
